For all Reloads:

- * You must purchase the card through TRIP, but if the card balance is \$0 for 60 days, the card is invalid.
- * You must register the card at Shopwithscrip.com and reload it through them or the RaiseRight app (not at stores).
- * You will want to pay electronically or the Reload will be slowed down by coming to the coordinator first.

~You can also place a regular order online. Please be aware that it must be entered by 9:30 on a Wednesday morning that TRIP is held in order to guarantee it will be processed that week. It will be available for pick up the following Wednesday morning at the TRIP table. (Think of it as the same timing that would occur if you physically brought a blue order form to the school. It would wait in the office box until the Wednesday morning of TRIP.)
