School Nursing Life-Threatening Allergy IHP

Medications may be administered at school by school personnel when necessary for school attendance. This completed form, along with the medication and/or special equipment items are to be brought to the school by the parent/guardian.

TO BE COMPLETED BY PARENT/GUARDIAN

I, the parent/guardian of _____ dob _____

request that the building administrator or his/her designee administer the medication or procedure listed below as directed. I give my consent for the exchange of information between the school and my child's health care provider. I give permission to share, if necessary, this information with school personnel who may be involved with the welfare of my child. I fully realize I can withdraw my request/consent in writing at any future date.

As a parent, I understand my responsibilities are:

1. To provide the school with a supply of medication in the original container appropriately labeled by the pharmacy.
2. To provide the school with the written doctor's instructions for medication administration during school hours.
And that medication will not be administered until signed doctors instructions are at school
3. To inform the school of any medical changes
4. I will assume responsibility for safe delivery of the medication to school
5. To provide the school with this signed consent form annually and when changes in medication occur.
6. I give permission for my child to self-administer rescue medication if approved by physician
7. I release and agree to hold the Board of Education, its officials and its employees harmless from any and all liability foreseeable or unforeseeable for damage or injury resulting directly or indirectly from this authorization

Please complete attached life threatening allergy plan, or submit a current plan already on file in physician office.
