

# FUEL UP WITH SCHOOL LUNCHES

For the last two years, all Holland Christian students were able to receive a free daily breakfast and lunch at school, thanks to the USDA Child Nutrition Program. This year, **we will be returning to student paid lunches**, unless qualified for reduced meals.

Free and Reduced Meal application is now open!

## Apply at **FAMILYPORTAL.CLOUD**

Only one, 10 minute application, needed per family. We encourage you to fill out an application as income levels have changed.

If you had an account with [sendmoneytoschool](https://sendmoneytoschool.com), it has been transferred to **FAMILYPORTAL.CLOUD**. Please deposit money into your new account through [familyportal.cloud](https://familyportal.cloud).

## District Site: **Holland Christian Schools**

Food Service Staff will be at all Open Houses and Check In Days at the Middle School and High School. This is a great time to add money to your child's account, as well as, ask questions.

Thank you for supporting Holland Christian's Child Nutrition Program. Why pack a lunch when you can feel assured that your child is eating a nutritious meal with lots of fresh fruits and veggies. Hit the alarm for snooze, knowing you won't have to pack a lunch ... and it's very economical. Have a great school year!
